

# Capital Improvement Projects: **STREETS**

According to the 2022 Community Engagement Survey, streets was the primary concern for our residents. This has been a top priority for the City for the past few years, and this includes repairing our current streets; planning new expansions; and constructing new streets through development and Capital Improvement Projects. Over the next two-to-five years, the City will be building more new streets than any city our size and even some that are larger.

Below is a list of current plans and/or projects:

1. Parvin Rd Asphalt improvements from FM 1385 to DNT (Start Date: Spring 2023)
2. TxDOT FM 428 full replacement asphalt maintenance from FM 1385 to DNT (Start Date: Spring/Summer 2023)
3. Annual Street Maintenance of various neighborhoods in 2023 - approximately over \$1.5 million in funding allocated
4. Frontier Pkwy will finish four concrete lanes from DNT to Preston Rd
5. Ownsby Pkwy will expand to four concrete lanes from DNT to Preston Rd (Start Date: 2023)
6. Choate Pkwy from Preston Rd to Coit Rd will be a new two-lane concrete road
7. DNT overpass at US 380 will be completed in Spring 2023
8. Custer Rd from US 380 to Frontier Pkwy will finish four concrete lanes in 2023
9. Parts of two concrete lanes in Legacy Hills have started construction
10. Light Farms Way connection to Outer Loop and Punk Carter will be completed to include four concrete lanes in Summer 2023
11. Extension of Sunset Pkwy with connections to

DNT and FM 428 will be finished in 2023

12. Several sections of Coit Rd are in design from Frontier Pkwy to Old Glendenning Rd - parts will go to construction in 2023 and 2024 building out a grid in the southeast portion of the City.
13. Oklahoma Dr will connect from Malone to Lynn Stambaugh Pkwy
14. Arizona St and Colorado St from south end to Ash St will go into construction for additional drainage fixes in 2023
15. Ohio St will go into construction for additional drainage in 2024
16. Maryland Dr will finish concrete reconstruction in Winter 2023
17. Colorado St as part of the Downtown Inner Loop Project will be completed in 2023
18. Ash St will undergo improvements and expand with development in 2023

Some of the most recent project completions:

1. Collin County Outer Loop from Preston Rd to Custer Rd
2. Dallas North Tollway from FM 428 to Marilee Rd
3. Coit Rd from Frontier Pkwy to Vest Lane (northbound lanes)
