Summer Reading Program

The Celina Public Library's **Summer Reading Program**, called "Build a Better World," is underway! The program, which runs through July 31, is open to children age birth through 12 years who are challenged to read (or have someone read to them for) a total of 645 minutes this summer and earn prizes along the way. One preschooler and one older child who read the most minutes will each be awarded a special prize. The program wraps up with a special party at the library in early August. Visit the library to register your child to participate and begin logging his/her minutes!

Story Time

Join Mother Goose at 10:30 a.m. Fridays for the library's **weekly story time**. Children, age infant through elementary school, will hear fun stories, move and groove to silly songs and make a fun, themed craft. Admission is free. See you there!

Join The Club

Members of the library's **Book Club** for adults meet at 10:30 a.m. on the third Thursday of each month to discuss a novel they have read. New members are welcome to attend. Call the library

or stop by to learn more about April's book selection.

Monthly Meeting

Members of the public are welcome to attend **Celina Public Library's Advisory Board meetings** at 6 p.m. on the third Tuesday of each month. For more information, visit www.celina-tx.gov/index.aspx?nid=379.
