Irrigation System Check-Up Program

Upper Trinity Water District is proud to announce a new, voluntary program for its water customers. The Upper Trinity Water District offers an Irrigation System Check-Up Program at no cost. The program will send a licensed irrigator to identify potential problems with a homeowner's

irrigation system. For more information, contact **Blake Allredge with the Upper Trinity Water District at 972-219-1228**

To request a check up sign up at: <http://bit.ly/UTRWDCHECKUP>

Library Corner

September is National Library Card Sign-Up Month. Don't have a library card yet? Visit the Celina Public Library today to get one free of charge.

Looking for a book?

Interested in reading a book that's not on the Celina Public Library's shelves? No problem! We can locate the title and get it to you through the Interlibrary Loan program. Check out up to five books each month through this service, which utilizes the catalogs of other public and private libraries throughout the state. Visit the library to learn more about this terrific program.

Story time

Join Mother Goose at 10:30 a.m. Fridays for the library's weekly story time. Children, age infant through elementary school, will hear fun stories, move and groove to silly songs and make a fun, themed craft. Admission is free. See you there!

Join the club

Members of the library's Book Club for adults meet at 10:30 a.m. on the third Thursday of each month to discuss a novel they have read. New members are welcome to attend. Call the library or stop by to learn more about April's book selection.

Monthly meeting

Members of the public are welcome to attend Celina Public Library's Advisory Board meetings at 6 p.m. on the third Tuesday of each month. For more information, visit <http://www.celina-tx.gov/index.aspx?nid=379>.

'Friend'-ly reminder

The library needs enthusiastic people to join its nonprofit Friends of the Library group. Help your hometown library raise the community and financial support it needs to provide more books, services and programs to patrons as the city grows. Contact Head Librarian Linda Shaw at 972-382-8655 or lshaw@celina-tx.gov for
