

City of Celina October 2017 Newsletter

Report illegal dumping

Any suspicious dumping of materials or waste in wastewater or drainage manholes should be reported to the city immediately.

Library Corner

Looking for a book?

Interested in reading a book that's not on the Celina Public Library's shelves? No problem! We can locate the title and get it to you through the Interlibrary Loan program. Check out up to five books each month through this service, which utilizes the catalogs of other public and private libraries throughout the state.

Story time

Join Mother Goose at 10:30 a.m. Fridays for the library's weekly story time. Children, age infant through elementary school, will hear fun stories, move and groove to silly songs and make a fun, themed craft. Admission is free. See you there!

Join the club

Members of the library's Book Club for adults meet at 10:30 a.m. on the third Thursday of each month to discuss a novel they have read. New members are welcome to attend. Call the library or stop by to learn more about April's book selection.

Monthly meeting

Members of the public are welcome to attend Celina Public Library's Advisory Board meetings at 6 p.m. on the third Tuesday of each month. For more information, visit <http://www.celina-tx.gov>

'Friend'-ly reminder

The library needs enthusiastic people to join its nonprofit Friends of the Library group. Help your hometown library raise the community and financial support it needs to provide more books, services and programs to patrons as the city grows. Contact Head Librarian Linda Shaw at 972-382-8655 or lshaw@celina-tx.gov

Public Works

For requests or concerns about water, wastewater, streets and drainage please call the public works office at 972-382-2682 Ext. 4000 during normal business hours.

If it is after hours please call 214-585-7660
