

Your Businesses Answer to “Social Distancing”

Dear Celina Business, Owner

The Celina EDC has agreed to reimburse business through June 2020 that would like to sign up for [Pickup Eats](#) Online/pick up dynamic menu. It was designed with food in mind but can be used for any type of product that has options to order. The EDC will cover the Flat **FEE (\$79/mo.)** No additional fees. No long term contracts. It will help you facilitate more orders and ensure order accuracy allowing your patrons to schedule their pick up.

Control and approve every order and save thousands of dollars over your current POS provider with cash payment options link to your current merchant provider at the counter.

24-hours set-up and a 1x \$69 fee covered by the EDC. We just need your current menu or create a separate delivery menu.

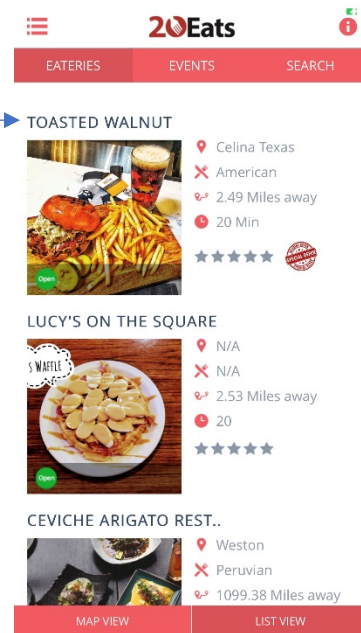

- Optimized for smartphone Patrons can bookmark your menu
- Posted to your website, Facebook and Yelp pages
- Sample [Menu](#)
- You can find more information at [Pick Up Eats](#)
- Sign up [Here](#) choose the \$78 option
- In addition, we will provide a free web order page for those restaurants who don't have time or resources to add their link to their current site. This web page can be linked to a Google profile and Yelp Page
