

## SENSUS ANALYTICS

The City of Celina recently released a new Customer Portal! Celina water customers are now able to access their water usage data online from anywhere. This portal will let you track and monitor your home or business's water use. The key features are:

**Water Usage Details:** View your water usage by the year, month, day, or even hour! Compare it to weather and rainfall in one easy to read chart!

**Continuous Flow Alarms:** This feature will send you an email if your meter reads continuous flow – like a toilet running or a burst pipe – so you can quickly address any plumbing issues and avoid an unexpectedly high bill.

**High Usage Alarms:** You can also set a high-level alarm to monitor daily, multi-day, or billing cycle flow if you want to keep your overall usage in check.

Visit [www.mycelinah2o.com](http://www.mycelinah2o.com) for more information. It is best to sign up on Google Chrome on a desktop computer.

## FRONTIER PARKWAY

The expansion of Frontier Parkway from two lanes of asphalt to four lanes of concrete from Dallas Parkway to SH 289 is scheduled to begin in the Spring of 2021. The project will also include drainage improvements, lighting, and sidewalks. The project is a joint venture between Collin County, City of Celina, and the Town of Prosper.

WiFi

Did you know the Celina Downtown Square now has WiFi available? Search and connect to the LifeConnected WiFi next time you are on the square!
